Bright Quarter-Squares  
12 ½ inch block

You will need:

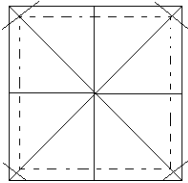

- (1) – 10 1/2 inch square Unbleached Muslin
- (1) – 10 1/2 inch square Bright Fabric

With right sides together, sew ¼ inch seams around all four sides from edge to edge.

Draw a centered vertical and horizontal line, as well as both diagonals.

Trim corners and cut on all drawn lines.

Open each triangle, and press to the bright fabric.

Sew two pieced triangles together to create the quarter square triangles. Repeat until you have 4 squares. Trim each square to 6 ½ inches square.

Piece the four squares together as shown below:
